About us

Institute of Science (ISC-BHU) comprises thirteen departments covering almost all the branches of modern science. It offers B.Sc.(Hons.) and M.Sc. courses in most disciplines, M.Sc. (Tech.) in Geophysics, MCA, and conducts research programmes in all areas. Two vocational courses, Industrial Microbiology and Electronics Instrumentation and Maintenance have been introduced in recent years at U.G. level. The Departments have expertises in various related fields and are engaged in advanced research activities. The School of Biotechnology has introduced a new course on Cell Biology and Virology. It has a Bioinformatics User Center. The
